## What's included?

- The prices in the table above (the “Guide Prices”) show what most patients with no co-morbidities should expect to pay within a “self pay” package prior to admission to any of the hospitals approved by SOC-Bristol Ltd.
  
- The Guide Prices you pay might be different depending on:
  - o Which consultant, specialist or hospital you choose
  - o Your medical history
  - o The type of anaesthetic your consultant advises is best for you
  - o The type of implant or drug you choose or your consultant advises is best for you
  - o Physiotherapy and follow up requirements
  - o The Guide Prices are correct as at the 1 April 2015.
  
- Your price quotation will be made clear to you before you proceed with any tests, consultations or treatment.
